

Take Advantage of This Opportunity and Join Our Team as

Software developer (m/f)

Interenergo is an international energy company headquartered in Ljubljana and a part of Austrian Kelag Group. We're playing a crucial role in our region's shift towards cleaner energy solutions. From investing in, building, and operating renewable energy technologies to actively trading and providing tailored energy services, we're dedicated to driving this transition forward.

Join the Interenergo team as a Software developer and support the IT team in developing advanced software solutions to enhance business operations and integrate various processes within the company.

Help shape the future of the energy sector by creating powerful applications, designing complex architectures, and improving databases.

If you are interested in software development and database management, don't hesitate to apply.

Your responsibilities

- Develop dedicated (console, web, service) applications and application modules.
- Design and implement interfaces (APIs) between various software components.
- Plan architectural and content changes in databases.
- Participate in capturing user requirements and preparing specifications.
- Collaborate in designing the architecture of software solutions.
- Prepare automated tests for developed software modules/components.

Your key attributes and qualifications

- A Bachelor's or Master's degree in Computer Science or related fields or previous work experience in a similar role.
- Programming knowledge, with proficiency in languages such as C#, SQL, Python, and Java Script represent an advantage for candidates.
- Knowledge of software development and database management.
- Self-initiative, communication skills, willingness to learn, and a strong team spirit.
- Responsibility, precision, and reliability.
- Proficiency in English; knowledge of Croatian, Serbian, and/or German is desirable.

Why join us

- An established company part of Austrian Kelag group, with strong ties across 7 markets in Southeastern Europe.
- An international work environment that fosters personal and professional growth.
- Comprehensive on-boarding and rotation process.
- Open communication and collaboration.
- Emphasis on ongoing learning and personal growth through an allocated budget for training initiatives, conferences and language courses.
- Internal recreational program offering a range of activities including fitness sessions, squash matches, and skiing tournaments.
- Option to use the Group's holiday accommodations in Carinthia, Austria.
- Supplementary health and pension insurance.

We're expanding our team! If you didn't find yourself in the job descriptions and experiences listed, but you have experience in other areas and a strong desire to develop your career at Interenergo, we want to meet you.

We invite you to send us your applications with the attached CV no later than **15. 01. 2025** by e-mail to: **info@interenergo.si** or by regular mail to: **Interenergo, d.o.o., Gosposvetska cesta 11, 1000 Ljubljana.**
