

Take Advantage of This Opportunity and Join Our Team as

## **Controlling Specialist (BI specialist) (m/f)**

**Interenergo** is an international energy company headquartered in Ljubljana and a part of the Austrian Kelag Group. We're playing a crucial role in our region's shift towards cleaner energy solutions. From investing in, building, and operating renewable energy technologies to actively trading and providing tailored energy services, we're dedicated to driving this transition forward.

**Take the next step in your career and join our Controlling team as a Controlling Specialist (BI specialist). We are looking for an experienced professional to support our team.**

The Business Support team ensures seamless cooperation with the parent organization Kelag and all associated Interenergo companies in Southeastern Europe, enabling the use of state-of-the-art controlling practices and offering numerous opportunities for growth and development in an international environment.

**If a career in the controlling department is your dream job, you love working with data, are precise and analytical, and enjoy teamwork, then this position is right for you!**

### **Your responsibilities**

- Conducting data collection activities and preparing weekly, monthly, and annual financial and non-financial reports for individual companies and the group, as well as all other reports required by stakeholders.
- Content analysis of financial and non-financial data.
- Collaboration and technical support in the preparation of monthly closings and reports for the needs of the group and the parent company.
- Participation in the preparation of annual business plans, monitoring and analyzing their implementation, and contributing to the development of the company's strategic development plan.
- Maintaining the business intelligence system and databases (SQL).
- Supporting the development, testing, and maintenance of the business intelligence system, preparation of program documentation, and user support.
- Preparation of analytical models and reports using Power BI.

### **Your key attributes and qualifications**

- Previous work experience (at least 3 years) in the field of controlling.
- Advanced understanding of financial statements; experience in reporting within an international group is an advantage.
- Advanced knowledge of MS Excel, SQL, and Power BI.
- Fluent in English and Croatian or Serbian.

## Required competencies

- Precision and analytical skills.
- Independence and responsibility in work.
- Ability to work under pressure and meet short deadlines in a dynamic environment.
- Excellent interpersonal (oral and written) communication skills.
- Ability to work in a team.

## Why join us

- An established company part of the Austrian Kelag group, with strong ties across 7 markets in South-eastern Europe.
- International work setting.
- Comprehensive onboarding and rotation process.
- Open communication and collaboration.
- Emphasis on continuous learning and personal growth through allocated budget for training initiatives, conferences and language courses.
- Internal recreational program offering a range of activities including fitness sessions, squash matches, and skiing tournaments.
- Option to use the Group's holiday accommodations in Carinthia, Austria.
- Supplementary health and pension insurance.

**We Are Expanding Our Team!** If you do not see yourself in the described responsibilities and experiences but have relevant experience and a strong desire to develop your career at Interenergo, we want to meet you.
