

Take Advantage of This Opportunity and Join Our Team as

Intraday Power Trader (m/f)

Interenergo is an international energy company headquartered in Ljubljana and a part of Austrian Kelag Group. We're playing a crucial role in our region's shift towards cleaner energy solutions. From investing in, building, and operating renewable energy technologies to actively trading and providing tailored energy services, we're dedicated to driving this transition forward.

As an Power Trader, you will have the opportunity to apply your knowledge and experience in creating trading strategies for intraday trading.

We are looking for a motivated individual who is interested in actively monitoring markets and has a desire to develop a career in the dynamic energy sector. If you have experience in electricity trading or are familiar with managing financial or other asset portfolios and are quick to learn new skills, then do not hesitate to join the Interenergo team!

**Are you ready to contribute to shaping the future of trading?
