

Take Advantage of This Opportunity and Join Our Team as

Senior Power Trader (m/f)

Interenergo is an international energy company headquartered in Ljubljana and a part of Austrian Kelag Group. We're playing a crucial role in our region's shift towards cleaner energy solutions. From investing in, building, and operating renewable energy technologies to actively trading and providing tailored energy services, we're dedicated to driving this transition forward.

As a Senior Power Trader, you'll have the chance to excel by leveraging your expertise in power trading.

If you possess a deep understanding of power markets and exceptional trading skills, don't hesitate to join the Interenergo team!

**Are you ready to contribute to shaping the future of trading?
Keep reading.**

Your responsibilities

- Independently carrying out trading activities in power trading, CO2 permits, or other products in the energy sector.
- Identifying trends and opportunities in the market, using market knowledge and analytical skills to develop effective trading strategies.
- Developing and implementing profitable trading strategies and risk management.
- Monitoring regulatory, geopolitical, and other factors affecting power markets and products.
- Ability to work in a team and collaborate with other team members and departments (risk management, business support, market analysts).
- Assisting in the development of strategy, processes, and tools for trading activities.
- Assisting in establishing and maintaining business relationships and cooperation with various domestic and foreign entities involved in the production and trading of electricity.

Your key attributes and qualifications

- Previous work experience in power trading, CO2 coupons, or other energy products.
- In-depth knowledge of CWE/CSEE power markets, monitoring and understanding market fundamentals, trading techniques, and risk management.
- Proven track record of developing and executing profitable trading strategies.
- Willingness to perform occasional on-call duties during weekends.
- Analytical thinking and knowledge of statistical data processing, with the ability to interpret market analyses.

- Good communication skills and a desire for teamwork.
- Knowledge of Slovenian and English; knowledge of Serbian or Croatian language is a plus

Why join us

- An established company that is part of the Austrian Kelag group, with strong ties across 7 markets in South-eastern Europe.
- An international work environment that fosters personal and professional growth.
- A competitive salary and a modern reward model based on individual performance.
- A comprehensive onboarding and rotation process.
- Open communication and collaboration.
- Emphasis on ongoing learning and personal growth through an allocated budget for training initiatives, conferences and language courses.
- An internal recreational program offering a range of activities, including fitness sessions, squash matches, and skiing tournaments.
- Option to use the Group's holiday accommodations in Carinthia, Austria.
- Supplementary health and pension insurance.

We are expanding our team! If you don't find yourself in the job description, but you have experience in other areas and a strong desire to develop your career at Interenergo, we want to meet you.

We invite you to send us your applications with the attached CV no later than **4. 11. 2024** by e-mail to: **info@interenergo.si** or by regular mail to: **Interenergo, d.o.o., Gosposvetska cesta 11, 1000 Ljubljana.**
