

Take Advantage of This Opportunity and Join Our Team as
Software developer - Student (m/f)

Interenergo is an international energy company headquartered in Ljubljana and a part of Austrian Kelag Group. We're playing a crucial role in our region's shift towards cleaner energy solutions. From investing in, building, and operating renewable energy technologies to actively trading and providing tailored energy services, we're dedicated to driving this transition forward.

We are looking for a student to assist our IT team in developing software solutions to support business operations and integrate various processes within the company.

Join us and take advantage of the opportunity to learn and grow in a dynamic environment, where you will participate in creating powerful applications, designing complex architectures, and improving databases.

If you are interested in software development and database management, do not hesitate to submit your application.

Your responsibilities

- Assisting with the technical maintenance of IT services.
- Collaborating on the development of dedicated (console, web, service) applications and application modules.
- Participating in the design and implementation of interfaces (APIs) between individual software components.
- Managing databases.
- Contributing to the preparation of automated tests for developed software modules/components.

Your key attributes and qualifications

- A valid student status – studying computer science or other related fields.
- Programming knowledge, familiarity with programming languages C# and SQL, and knowledge of Python and JavaScript are considered an advantage for candidates.
- Self-initiative, communication skills, willingness to learn, and a strong team spirit.
- Responsibility, precision, and reliability.
- Proficiency in English; knowledge of Croatian, Serbian, and/or German is desirable.

Why join us

- An established company part of Austrian Kelag group, with strong ties across 7 markets in Southeastern Europe.
- An international work environment that fosters personal and professional growth.
- Comprehensive on-boarding and rotation process.
- Open communication and collaboration.

- Internal recreational program offering a range of activities including fitness sessions, squash matches, and skiing tournaments.
- Option to use the Group's holiday accommodations in Carinthia, Austria.

We're expanding our team! If you didn't find yourself in the job descriptions and experiences listed, but you have experience in other areas and a strong desire to develop your career at Interenergo, we want to meet you.

We invite you to send us applications with the attached CV no later than **18. 11. 2024** by e-mail: **info@interenergo.si** or by regular mail to: **Interenergo, d.o.o., Gosposvetska cesta 11, 1000 Ljubljana.**
