

## STUDENT WORK (m/f) IN THE DEPARTMENT OF RISK MANAGEMENT

Interenergo is an international Ljubljana-based energy company and one of the largest of its kind in Slovenia. Our main activities include electricity trading, construction and management of energy facilities running on renewable energy sources (RES), and energy services. With our affiliated companies, we form the Interenergo Group.

### Why Interenergo?

#### Efficient and environmentally friendly energy is the fuel of the future.

Concern for the environment and a growing emphasis on renewable energy sources. New technologies, intelligent systems, energy production from "waste", electric cars, etc. they are part of a future in which efficient production and energy consumption play a central role.

**We are looking for a team and reliable player with the appropriate knowledge and work habits, who is ready to develop professionally.**

#### Your main tasks will be:

- Administrative assistance in the risk management department.
- Preparing reports of exposure to market risk and other risks.
- Acquiring and preparing credit rating reports of partners.
- Cooperation with other departments within the company and with the parent company.
- Performing other tasks as instructed by the superiors.

#### We expect from you:

- You are a student seeking for gaining experience in our company.
- You actively speak Slovenian and English language, preferable also Croatian and/or German.
- You have advanced knowledge of MS Office tools.
- You have strong communication skills and your working attitude is characterized by accuracy, ingenuity and reliability.
- You show high commitment and you take over responsibility for tasks that are handed over to you.
- In best case, you already have some basic working experience in risk management, controlling or some other relevant working field.

Values that are encouraged in the working environment:

 <b>GOAL ORIENTATION</b>	 <b>TEAMWORK</b>	 <b>RESPONSIBILITY</b>	 <b>GROWTH AND DEVELOPMENT</b>
We believe that with a clear vision, objectives, and perseverance anything is possible.	Each one of us is important, and together we are one step ahead.	We take responsibility for the results of our work, the results of our employees, and the company.	Quality and professional services are a reflection of our continuing education and investment in knowledge.

We invite you to send us your applications with the attached CV in English language no later than **26. 11. 2021** by e-mail to: [info@interenergo.si](mailto:info@interenergo.si)
