

We invite to our team a
SENIOR ELECTRICAL ENGINEER (m/f)

Interenergo is an international energy company headquartered in Ljubljana, which, despite its youth, is one of the largest energy companies in Slovenia. Our main activities are electricity trading, construction and management of energy facilities for the production of electricity from renewable sources and energy services.

We are looking for a reliable team player with the right knowledge and working habits, who is ready to develop professionally.

Your main tasks will be:

- providing technical support during project development and construction;
- supervising the development/construction/installation processes;
- organizing and conducting factory testing, field testing, commissioning, and trial operation;
- collaboration in the preparation of internal technical standards for services and equipment;
- collaborating in the development and implementation of regulations, measures, and procedures in the field of occupational health and safety, environmental protection, fire safety, and improvements in all measures - technical and organizational.

We expect from you:

- VII. level of education, electrical engineering;
- 4 – 5 years of experience, preferably in a similar field of work;
- knowledge of English language;
- knowledge of technical standards and regulations in the relevant professional field;
- motivation for work and positive attitude towards work and people;
- responsibility, precision, and reliability in work.

We offer work in a highly successful international environment with career and personal development opportunities and work with experienced professionals. Each individual actively contributes to the achievement of common goals, which is why we encourage diversity, collaboration and mentoring.

Values that we encourage in our working environment:

GOAL ORIENTATION

TEAM WORK

RESPONSIBILITY

GROWTH AND
DEVELOPMENT

We invite you to send us your applications with the attached CV no later than **16. 02. 2024**
by e-mail to: info@interenergo.si or by regular mail to:
Interenergo, d.o.o., Tivolska cesta 48, 1000 Ljubljana.
